

Andrew J. Hogan

Curriculum Vitae

225 Dowling Hall • Creighton University • 2500 California Plaza • Omaha, NE 68178
(402) 280-2376 • AndrewHogan@creighton.edu • www.andrewjhogan.com

ACADEMIC APPOINTMENTS AND POSITIONS

- 2022 – Fr. Henry W. Casper, SJ Professor of History, Creighton University, Omaha, NE
2024 – Professor, Departments of History and Medical Humanities, Creighton University
2019 – 2024 Associate Professor, Departments of History and Medical Humanities, Creighton University
2016 – Director, Science and Medicine in Society Program, Creighton University
2014 – 2019 Assistant Professor, Department of History, Creighton University
2013 – 2014 Lecturer, Engineering & Society, University of Virginia, Charlottesville, VA

EDUCATION

- 2013 Ph.D. History and Sociology of Science, University of Pennsylvania, Philadelphia, PA
2011 M.A. History and Sociology of Science, University of Pennsylvania, Philadelphia, PA
2007 B.S. Biological Sciences, Cornell University, Ithaca, NY

BOOKS

- Andrew J. Hogan, *Disability Dialogues: Advocacy, Science, and Prestige in Postwar Clinical Professions* (Johns Hopkins University Press, 2022).
Andrew J. Hogan, *Life Histories of Genetic Disease: Patterns and Prevention in Postwar Medical Genetics* (Johns Hopkins University Press, 2016).

PEER-REVIEWED ARTICLES

- Andrew J. Hogan, “Credentialism and Barriers to Entry: A Historical and Sociological Analysis of CAPTE’s 50 Percent Requirement for Physical Therapy Faculty with Academic Doctorates” *Physical Therapy* 105, no. 9 (2025) <https://doi.org/10.1093/ptj/pzaf095>.
Andrew J. Hogan, “Risky Students: Models of Inclusion and Exclusion for Disabled and Racial/Ethnic Minority Applicants in Physical Therapy,” *Journal of Physical Therapy Education* 39, no. 4 (2025). DOI: 10.1097/JTE.0000000000000446
Andrew J. Hogan, “Accessibility in Health Professions Education: Exclusionary Practices as Barriers to Diversity in American Physical Therapy,” *Social Science & Medicine* 341 (2024) <https://doi.org/10.1016/j.socscimed.2023.116519>.
Andrew J. Hogan, “Underrepresented Minority Recruitment: Manpower as Motivator in Late-Twentieth Century Occupational Therapy and Physical Therapy,” *Bulletin of the History of Medicine* 97, no. 4 (2023): 614-640. <https://muse.jhu.edu/pub/1/article/922709>
Andrew J. Hogan, “Social and Medical Models of Disability and Mental Health: Evolution and renewal,” *Canadian Medical Association Journal* 191, no. 1 (2019): E16-E18.
Andrew J. Hogan, “Moving Away from the ‘Medical Model’: The World Health Organization’s classification of disability,” *Bulletin of the History of Medicine* 93, no. 2 (2019): 241-269.
Andrew J. Hogan, “The ‘Two Cultures’ in Clinical Psychology: Constructing disciplinary divides in the management of mental retardation,” *Isis* 109, no. 4 (2018): 695-719.
Andrew J. Hogan, “Medical Eponyms: Patient advocates, professional interests, and the persistence of honorary naming,” *Social History of Medicine* 29, no. 3 (2016): 534-556.

- Andrew J. Hogan, "Making the Most of Uncertainty: Treasuring exceptions in prenatal diagnosis." *Studies in History and Philosophy of Biological and Biomedical Sciences* 57 (2016): 24-33.

- Andrew J. Hogan, "Disrupting Genetic Dogma: Bridging cytogenetics and molecular biology in fragile X research." *Historical Studies in the Natural Sciences* 45, no. 1 (2015): 174-197.
- Andrew J. Hogan, "The 'Morbid Anatomy' of the Human Genome: Tracing the observational and representational approaches of postwar genetics and biomedicine." *Medical History* 58, no. 3 (2014): 315-336. ***Winner of 2013 William Bynum Prize in the History of Medicine**
- Andrew J. Hogan, "Set Adrift in the Prenatal Diagnostic Marketplace: Analyzing the role of users and mediators in the history of a medical technology." *Technology and Culture* 54, no. 1 (2013): 62-89.
- Andrew J. Hogan, "Locating Genetic Disease: The impact of clinical nosology on biomedical conceptions of the human genome (1966-1990)." *New Genetics and Society* 32, no. 1 (2013): 78-96.
- Andrew J. Hogan, "Visualizing Carrier Status: Fragile X syndrome and genetic diagnosis since the 1940s." *Endeavour* 36, no. 2 (2012): 77-84.

ARTICLES UNDER REVIEW

- Andrew J. Hogan, "Unionization in Health Professions: Causes and Concerns in 1960s Physical Therapy" (Under Review, *Bulletin of the History of Medicine*).

FELLOWSHIPS, GRANTS, AND AWARDS

- | | |
|-----------|---|
| 2024 – 27 | National Science Foundation, Standard Grant, Science & Technology Studies Program, Lead Principal Investigator (Award # 2418246, \$209,769) |
| 2024 – 25 | Haddix President's Faculty Research Fund, Creighton University (\$24,868) |
| 2023 – 26 | National Endowment for the Humanities, Humanities Initiatives at Colleges and Universities Grant, Core Personnel (\$149,497) |
| 2017 – 22 | National Science Foundation, Standard Grant, Science & Technology Studies Program, Lead Principal Investigator (Award #1655013, \$132,027) |
| 2017 | National Endowment for the Humanities, Summer Stipend (FT-254241-17, \$6,000) |
| 2022 | CURAS Summer Faculty Research Fellowship, Creighton University (\$10,000) |
| 2021 – 22 | Haddix President's Faculty Research Fellowship, Creighton University (\$15,000) |
| 2020 – 21 | Kingfisher Institute Fellowship, Creighton University (\$2,000) |
| 2019 | Pre-tenure Sabbatical Award, College of Arts & Sciences, Creighton University |
| 2016 – 7 | Haddix President's Faculty Research Fellowship, Creighton University (\$5,000) |
| 2016 | CURAS Summer Faculty Research Fellowship, Creighton University (\$10,000) |
| 2014 | William Bynum Prize in the History of Medicine (£ 250) |
| 2012 | George L. Harrison Graduate Fellow, University of Pennsylvania |
| 2011 | University of Pennsylvania Dissertation Research Fellowship (\$5000) |

RECENT GRANT PROPOSALS

National Science Foundation, Science & Technology Studies Program, "Standard Grant: Health Professions Education Strategies for Broadening Participation in Physical Therapy and Occupational Therapy."

Amount Requested: \$209,769

Status: Awarded, #2418246, 9/2024-8/2027

President's Fund in Population Health Grant, Creighton University, "Improving Health Equity for Minoritized Populations: Addressing Disparities in Access to Health Professions Education, Past and Present" **Amount Requested:** \$49,909 **Status:** Declined, January 2024

National Endowment for the Humanities, Summer Stipend Award, "Minority Recruitment, Retention, and Inclusion in Clinical Fields Since 1960: Achievements and Barriers"
Amount Requested: \$6,000 **Status:** Declined, March 2023

National Science Foundation, "Diversity, Equity, and Inclusion in Historical Context: Recruitment, Retention, and Inclusion of Underrepresented Minorities in Clinical Professions After 1960."
(Hogan was lead-PI with co-PI Dr. Molly McCarthy, University of Nebraska Medical Center)
Amount Requested: \$415,139 **Status:** Declined, January 2023

BOOK CHAPTERS AND ENCYCLOPEDIA ENTRIES

Andrew J. Hogan, "Medical Genetics," In *A Companion to the History of American Science*, edited by G.M. Montgomery, and M.A. Largent, 147–59. Hoboken, NJ: Wiley-Blackwell, 2016.
Andrew J. Hogan, "Vernon Ingram." *Encyclopedia of Life Sciences* (eLS). Chichester, UK: John Wiley & Sons, Ltd, March 2015. (Peer Reviewed)

BOOK REVIEWS

Review of Beth Linker, *Slouch: Posture Panic in America* (Princeton, 2024) *Journal of the History of Medicine and Allied Sciences* (Forthcoming, 2025).
Andrew J. Hogan, "Assessing Global Healthcare: The Lens of Disability," Review of Hannah Kuper and Phyllis Heydt, *The Missing Billion* (2019) *American Journal of Public Health* 110 no. 2 (2020): 138-139.
Andrew J. Hogan, "Expanding Perspectives on Heredity," Review of Staffan Müller-Wille and Christina Brandt, *Heredity Explored: Between Public Domain and Experimental Science, 1850–1930* (MIT, 2016), Theodore Porter, *Genetics in the Madhouse: The Unknown History of Human Heredity* (Princeton, 2018), and Kim TallBear, *Native American DNA: Tribal Belonging and the False Promise of Genetic Science* (Minnesota, 2013) *Historical Studies of the Natural Sciences* 49 no. 1 (2019): 104-115.
Review of Nicole C. Nelson, *Model Behavior: Animal Experiments, Complexity and the Genetics of Psychiatric Disorders* (Chicago, 2018) *Medical History* 63, no. 2 (2019): 230-231.
Review of Karl S. Matlin, Jane Maienschein, Manfred D. Laubichler (eds), *Visions of Cell Biology: Reflections Inspired by Cowdry's General Cytology* (Chicago, 2018) *Isis* 109 no. 4 (2018): 866-868.
Review of Myles W. Jackson, *The Genealogy of a Gene: Patients, HIV/AIDS, and Race* (MIT, 2015) *Technology and Culture* 59 no. 4 (2018): 997-998.
Andrew J. Hogan, "Prenatal Diagnosis in Context": Review of Ilana Löwy. *Imperfect Pregnancies: A History of Birth Defects and Prenatal Diagnosis* (Hopkins, 2017) and Ilana Löwy, *Tangled Diagnoses: Prenatal Testing, Women, and Risk* (Chicago, 2018) *Studies in History and Philosophy of Biological and Biomedical Sciences* 72 (2018): 55-58.
Review of Stephen Hilgartner, *Reordering Life: Knowledge and Control in the Genomics Revolution* (MIT, 2017) *Technology and Culture* 59, no. 2(2018): 501-503.
Review of Franklin H. Portugal, *The Least Likely Man: Marshall Nirenberg and the Discovery of the Genetic Code* (MIT, 2016) *Isis* 109, no. 1(2018): 220-221.

- Review of Joanna Radin, *Life on Ice: A History of New Uses for Cold Blood* (Chicago, 2017) *Journal of the History of Medicine and Allied Sciences* 73, no. 2 (2018): 252-253.
- Review of Judith Daar, *The New Eugenics: Selective Breeding in an Era of Reproductive Technologies* (Yale, 2017) *Bulletin of the History of Medicine* 91 no. 4 (2017): 825-827.
- Review of *Human Heredity in the Twentieth Century*, edited by Bernd Gausemeier, Staffan Muller-Wille and Edmund Ramsden (Pickering & Chatto, 2013) *Bulletin of the History of Medicine* 90, no. 4 (2016): 743-745.
- Andrew J. Hogan, "Tracing Postwar Biomedicine": Review of Angela Creager, *Life Atomic* (Chicago, 2013) *Metascience* 24, no. 1 (2015): 163-165.
- Andrew J. Hogan, "Mobilizing the Fetus." *Technology and Culture* 55, no. 3 (2014): 730-733.
- Review of Alexandra Minna Stern, *Telling Genes: The story of genetic counseling in America* (Johns Hopkins, 2012) *Journal of the History of Medicine and Allied Sciences* 69, no. 4 (2014): 687-689.
- Andrew J. Hogan, "Review Essay: Producers, Users, and the Actors Between." *Technology and Culture* 55, no. 1 (2014): 241-244.

PROFESSIONAL AND INSTITUTIONAL SERVICE

- 2016 – Director, Science & Medicine in Society Program, Creighton University
- 2024 – 2026 Chair, Nominations Committee, American Association for the History of Medicine
- 2022 – Chair, Forum for the History of Health, Medicine, and Life Sciences
(International organization related to the History of Science Society)
- 2025 – 2027 Criteria Contributor, Higher Learning Commission Accreditation Review, Creighton
- 2024 – 2025 Chair, African History Faculty Search Committee, Creighton University
- 2023 – 2024 Member, Executive Planning Committee, Health Humanities Consortium National Conference, Creighton University, Phoenix Campus, April 2024
- 2024 – Faculty Contributor to teaching TSC 145, Health Justice: Reimagining Care, as part of NEH Grant Funded First-Generation Health Humanities Pathway Project
- 2023 – *Canadian Medical Association Journal*, Medicine & Society Advisory Panel
- 2022 – 2023 Chair, Committee on Policies and Procedures, College of Arts & Sciences
- 2022 – 2025 Member, University Committee on Disability Accommodation & Awareness
- 2023 – 2025 Chair, University Academic Freedom and Responsibility Committee
- 2022 – 2025 Member, University Academic Freedom and Responsibility Committee
- 2022 – 2024 Ashton Welch Fellows Committee (Chair in Spring 2023), Department of History
- 2024 – 2024 Review Committee, History Nebraska James L. Sellers Article Award.
- 2020 – 2023 Member, College of Arts & Sciences Faculty Senate
- 2020 – 2022 Faculty Senate, Committee on Policies and Procedures, Member
- 2020 – 2022 Secretary, Forum for the History of Health, Medicine, and Life Sciences
- 2020 – 2022 Partner, Creighton Center for Promoting Health and Health Equity (CPHHE)
- 2022 Chair, Dr. Frank Peak Essay Competition Committee, CPHHE
- 2021 – 2022 Co-Developer of new EdD Course (ILD 816, Social Justice and Leadership)
- 2022 Invited Facilitator, Research Speed Collaborating Event, Creighton University
- 2018 – 2023 Invited Guest Lecturer, Boston University Genetic Counseling Program
- 2020 – 2021 Osler Award Committee, American Association for the History of Medicine
- 2021 – Faculty Participant, Admitted Students Day 30 Minute Lecture, April 16
- 2018 – 2020 Facilitator, Narratives of Health and Illness Reading Group, Kingfisher Institute
- 2018 – 2019 Invited Guest, Creighton Disability Accommodations and Awareness Committee

2017 – 2018 Organizer, Science & Medicine in Society Lecture Series, Creighton University
 2017 – 2018 History Fellows Program Committee, History Department, Creighton University
 2019 Invited Participant, Magis Core Learning Objectives Workshop
 2018 200th Anniversary of Mary Shelley’s *Frankenstein*, Programming Planning Group
 2018 Invited Participant, Mary Shelley and Her Time Faculty Panel, Creighton
 2018 Co-organizer and Participant, Frankenstein Full Book Read-a-thon, Creighton
 2018 Participant, Magis Core Assessment Day, Intersections Courses, May 17, 2018
 2018 Invited Participant, CURAS Research from All Angles Panel: Health and Illness
 2015 – Co-founder and Organizer, Creighton Medical Humanities Faculty Group
 2016 – 2017 Member, Horning Lecture Planning Committee, Creighton University
 2017 Creighton University Global Initiative Committee
 2017 – 2018 Special Programs Day Interviewer, Dean’s Fellows and History Fellows Programs
 2015 – 2017 National Science Foundation Grant Reviewer, Science, Technology, and Society
 2015 – 2017 Executive Council, Midwest Junto for the History of Science
 2015 – 2016 Committee Member, History of Africa Faculty Search, Creighton University
 2015 – 2016 Presidential Mentoring Scholarship Committee, Creighton University
 2015 – 2015 Proxy on Faculty Senate, College of Arts & Sciences, Creighton University
 2014 – 2015 Department of History Curriculum Committee, Creighton University
 2011 – 2012 Conference Organizer and Coordinator, Joint Atlantic Seminar for the History of Biology, University of Pennsylvania

INVITED TALKS

Andrew J. Hogan, “Historical and Disability Perspectives on Prenatal Genetic Testing,” Keynote Lecture, Landau Symposium, Washington University School of Medicine, St. Louis, September 18, 2025.
 Andrew J. Hogan, “Accessibility and Mobility in Health Professions Education: Facilitating Greater Diversity by Race/Ethnicity and Disability,” College of St. Mary, August 23, 2024 (delivered remotely)
 Andrew J. Hogan, “Accessibility in Health Professions Education: Barriers to Diversity in Physical Therapy Since the 1960s,” Rosalind Franklin University, June 11, 2024 (delivered remotely)
 Andrew J. Hogan, “The Black Rehabilitation Manifesto in Historical Context.” UJIMA Center, Summer Seminar Series, July 20, 2023 (delivered remotely)
 Andrew J. Hogan, “Facilitating Informed Choice: Disability Advocacy and the Genetic Counseling Profession.” History of Science, Technology, and Medicine Colloquium, University of Oklahoma, September 24, 2021 (delivered remotely)
 Andrew J. Hogan, “Science and Advocacy: Debating the Role of Psychology in Mental Retardation after 1980.” Richardson Research Seminar, DeWitt Wallace Institute for the History of Psychiatry, Weill Cornell Medical College, February 19, 2020
 Andrew J. Hogan, “Values Before Evidence?: Psychology and Developmental Disabilities in the Late 20th Century.” History of Science, Technology, and Medicine Colloquium, Johns Hopkins University, December 4, 2019
 Andrew J. Hogan, “Reform or Exclude?: Debating Medicine’s Role in Disability and Mental Health.” History of Science, Technology, and Medicine Colloquium, University of Minnesota, Minneapolis, MN, November 9, 2018
 Andrew J. Hogan, “An Infrastructure for Prevention: Human gene & disease mapping in historical perspective.” National Institutes of Health, Genome Research Institute, April 14, 2016

- Andrew J. Hogan, "Making the Most of Uncertainty: Managing the risk of the unknown in prenatal diagnosis." Histories of Reproductive Risk Workshop, Princeton, NJ, March 26, 2016
- Andrew J. Hogan, "Managing a Marginal Diagnosis: Genetic counseling and the expansion of prenatal testing." International Workshop: The Establishment of Genetic Counseling in the Second Half of the 20th Century, Berlin, Germany, February 2, 2016
- Andrew J. Hogan, "Anatomising the Genome: Chromosomes and the search for disease." Centre for Global Health Histories, University of York, United Kingdom, May 29, 2014
- Andrew J. Hogan, "Intellectual Disability in the Age of Targeted Prevention: Establishing fragile X syndrome as a genomic disease." McGill University, Department of Social Studies of Medicine, Montreal, QC, January 29, 2014 and Clarkson University, David Walsh Arts & Sciences Seminar, Potsdam, NY, January 31, 2014
- Andrew J. Hogan, "Stabilizing the Fragile X: Observational analysis of a clinical marker and genomic mechanism." Stevens Institute of Technology, Hoboken, NJ, September 19, 2012

ON CAMPUS INVITED TALKS

- Andrew J. Hogan, "Accessibility and Diversity in Physical Therapy Education: Historical Perspectives." Creighton University Department of Physical Therapy, October 21, 2025
- Andrew J. Hogan, "Diversity, Equity, and Inclusion in Physical Therapy." Creighton University Department of Physical Therapy, November 16, 2021
- Andrew J. Hogan, "Social Location and Developmental Disabilities in the Late 20th Century." Creighton University You Are Here Conference, March 21, 2020 (cancelled due to COVID)
- Andrew J. Hogan, "Models of Thinking and Practice: Conceptions of Disability in Medicine and Society." Creighton University School of Pharmacy and Health Professions, April 9, 2019
- Andrew J. Hogan, "Evolving Narratives of Developmental Disabilities in Postwar Clinical Professions." Creighton University Board of Trustees, Committee on Academic Affairs, Health Sciences, and Research, May 11, 2017
- Andrew J. Hogan, "Countervailing Trends: Defining disability and genetic difference in the late-20th century." Creighton University Center for Health Policy and Ethics, October 12, 2016
- Andrew J. Hogan, "The Thrill of Mapping: Tracing the genome project in postwar biomedicine." University of Pennsylvania Center for the Integration of Genetic Healthcare Technologies, Philadelphia, PA, June 5, 2013
- Andrew J. Hogan, "Chorionic Villus Sampling: A case study in the development of technological niches." University of Pennsylvania Center for the Integration of Genetic Healthcare Technologies, Philadelphia, PA, January 10, 2010

CONFERENCE PRESENTATIONS

- Andrew J. Hogan, "Creating Space for Allied Health: Gender and Power in Late 20th Century American Universities." History of Science Society, New Orleans, November 2025.
- Andrew J. Hogan, "Disabled Students in Late 20th Century Physical Therapy: Steppingstones to Participation." American Association for the History of Medicine, Boston, May 2025.
- Andrew J. Hogan, Didi Matthews, and Amanda Sharp, "Leveraging Collective Efforts to Achieve Justice, Equity, Diversity, and Inclusion in the Physical Therapy Profession." American Physical Therapy Association Combined Sections Meeting, Houston, February 2025.
- Andrew J. Hogan, "Bringing Science to Allied Health: Academic Status and Barriers to Diversity in American Physical Therapy." History of Science Society, Merida, Mexico, 2024

Andrew J. Hogan, "Unionism or Professionalism? Protecting the Status of Late-20th Century Physical Therapy." American Association for the History of Medicine, Kansas City, 2024.

Laurel Abbruzzese, **Andrew J. Hogan**, Kim Varnado, and Shannon Richardson, "Confronting Historical Inequities: Envisioning a More Inclusive Future for Physical Therapy Education." American Council of Academic Physical Therapy, Educational Leadership Conference, Philadelphia, PA, 2023 ***Panel Co-organizer**

Andrew J. Hogan, "Invisible Technicians or Aspiring Professionals? Workforce Hierarchies and Failed Diversity Initiatives in Postwar Physical Therapy." History of Science Society, Portland, OR, 2023

Andrew J. Hogan, "Markers of Prestige and Barriers to Inclusion in Postwar US Health Professions." American Association for the History of Medicine, Ann Arbor, MI, 2023 ***Panel Organizer**

Andrew J. Hogan, "Scientific Elitism and Barriers to Minority Recruitment, Retention, and Inclusion." History of Science Society, Chicago, IL, 2022

Andrew J. Hogan, "Recruiting Black Practitioners in Allied Health: Achievements, Barriers, and Lessons in the '90s." American Association for History of Medicine, Saratoga Springs, NY, 2022 (cancelled due to major air travel delays)

Andrew J. Hogan, "Conflicting Priorities: Genetic Counseling, Disability Advocacy, and Genomic Research." History of Science Society, 2021 (delivered remotely)

Andrew J. Hogan, "Disability Issues and Psychology: Professionals with Disabilities Advocate for Inclusion." Canadian Society for the History of Medicine, 2021 (remote)

Andrew J. Hogan, "Defining a Home for Disability in Late-20th Century Pediatrics: Specialties and Status." American Association for the History of Medicine, 2020 (remote)

Andrew J. Hogan, "Rethinking Professional Identity and Roles: Genetic Counselors and Disability Advocacy." Society for Social Studies of Science, New Orleans, 2019 ***Panel Co-organizer**

Andrew J. Hogan, "Standing with Science: Ideology and Advocacy for Developmental Disabilities After 1980." History of Science Society, Utrecht, Netherlands, 2019

Andrew J. Hogan, "Searching for a 'Balanced' Narrative: Prenatal Genetic Counseling for Down Syndrome." American Association for the History of Medicine, Columbus, OH, 2019

Andrew J. Hogan, "Critiquing the 'Biomedical Model': A Vehicle for Alternative Narratives of Disability." History of Science Society Annual Conference, Seattle, WA, 2018

Andrew J. Hogan, Poster, "Defining and Redefining the Medical Model: Postwar Formulations of Disability and Health." American Association for History of Medicine, Los Angeles, 2018

Andrew J. Hogan, "The Fragmentation of Clinical Psychology: Prestige and Purpose in a Heterogeneous Field." History of Science Society, Toronto, ON, 2017

Andrew J. Hogan, "Clinical Psychology's 'Two Cultures': Debating the Management of Mental Retardation." Columbia History of Science Group, Friday Harbor, WA, 2017

Andrew J. Hogan, "Pathologizing Locations?: Social Address and Late-20th Cen Management of Developmental Disabilities." American Assoc for History of Medicine, Nashville, 2017

Andrew J. Hogan, "Mapping Developmental Disabilities: Models for Localizing Causes and Management." Poster, History of Science Society, Atlanta, GA, 2016

Andrew J. Hogan, "Medical Genetics in the Clinic: Dysmorphology and its anthropometric roots." American Association for the History of Medicine, Minneapolis, 2016

Andrew J. Hogan, "Measuring Bodily Difference: Anthropometry in Asylums and Genetic Medicine." Midwest Junto for the History of Science, Norman, OK, 2016

- Andrew J. Hogan, "One Elephant in the Room: Genetic and social aspects of naming in biomedicine." History of Science Society Annual Conference, San Francisco, CA, 2015
- Andrew J. Hogan, "From Evolutionary Neurology to Genetics: Tracing the deep history of Down's syndrome." International Society for the History, Philosophy, and Social Studies of Biology (ISHPSSB) Biennial Conference, Montreal, Quebec, 2015
- Andrew J. Hogan, "Negotiating Medical Knowledge: Professional interests, patient advocates, and the localization of naming practices." American Association for the History of Medicine Annual Conference, New Haven, CT, 2015 ***Panel Organizer**
- Andrew J. Hogan, "The Thrill of Mapping: Bridging the gap in postwar human genetics." Sixth International Workshop on the History of Human Genetics, Glasgow, Scotland, 2015
- Andrew J. Hogan, "Discerning Patterns of Abnormality: Institutionalized patients and the postwar delineation of genetic disease." History of Science Society, Chicago, IL, 2014
- Andrew J. Hogan, "Fragile X Syndrome and the Age of Targeted Prevention." American Association for the History for Medicine Annual Conference, Chicago, IL, 2014
- Andrew J. Hogan, "Seeing and (Sometimes) Believing: Managing uncertainty in prenatal diagnosis." History of Science Society Annual Conference, Boston, MA, 2013
***Panel Organizer**
- Andrew J. Hogan, "Developing the Genomic Gaze: Observational approaches in postwar biomedicine." Society for the Social Studies of Science Annual Conference, San Diego, CA, 2013
- Andrew J. Hogan, "Chromosomes in the Clinic: Cytogenetic analysis and 'epigenetic' thinking in 1980s medical genetics." History of Science Society Conference, San Diego, CA, 2012
- Andrew J. Hogan, "Stabilizing the Fragile X: Observational analysis of a clinical marker and genomic mechanism." Seventh British-North American Joint Meeting of the BSHS, CSHPS, and HSS (Three Societies), Philadelphia, PA, 2012
- Andrew J. Hogan, "The Changing 'Look' of Disease: From patients to banding patterns in medical genetics." American Association for the History of Medicine, Baltimore, MD, 2012
- Andrew J. Hogan, "From Phenotypic to Molecular Etiology: The shifting boundaries of genetic diagnosis." American Anthropological Association Annual Conference, Montreal, QC, 2011
- Andrew J. Hogan, "New Molecular Techniques and the Changing 'Look' of Genetic Diseases." Society for the Social Studies of Science Annual Conference, Cleveland, OH, 2011
- Andrew J. Hogan, "Visualizing the 'Fragile X': Diagnostic cytogenetics in the 1970s and 1980s." (ISHPSSB) Biennial Conference, Salt Lake City, UT, 2011
- Andrew J. Hogan, "Regenerative Medicine in Context: Co-evolving conceptions of the fetus and its worth." History of Science Society Annual Conference, Montreal, 2010
- Andrew J. Hogan, "Chorionic Villus Sampling: Negotiating the medical marketplace for prenatal diagnosis." Society for the History of Technology Annual Conference, Tacoma, WA, 2010
- Andrew J. Hogan, "Banking on Collaboration: Walter Goad's vision for a genetic database." Joint Atlantic Seminar for the History of Biology, Madison, NJ, 2009
- Andrew J. Hogan, "The CVS Newsletter and Its 'Invisible Colleges': Artifacts of an informal communication network as a historical resource." Joint Atlantic Seminar for the History of Medicine, Philadelphia, PA, 2009

COURSES TAUGHT

Creighton University, Omaha, NE

Associate Professor, Department of Medical Humanities, School of Medicine

A History of Disability in Medicine (M1/M2 5-week seminar)

Race in Medical Education (M1/M2 5-week seminar)

Associate Professor, Department of History

Science and Medicine in Social Context (Intersections, Senior Capstone)

Controversies in Science and Medicine (Critical Issues, Freshman Seminar)

History of Science and Medicine (Global Perspectives, 200-Level Survey)

History of Disability (Intersections, Senior Capstone)

Science and Medicine in Social Context (Intersections, Senior Capstone)

The Politics of Heredity: Eugenics in America (Research Seminar)

University of Virginia, Charlottesville, VA

Lecturer, Program in Science, Technology & Society, School of Engineering and Applied Science

The Engineer, Ethics, and Society (Senior Thesis Seminar)

STS and Engineering Practice (Senior Thesis Seminar)
